SAMPLE / SYNTHETIC - FOR SOFTWARE DEMONSTRATION ONLY

Fictional initial authorization denial notice

DEMO BENEFITS OFFICE - FICTIONAL CORRESPONDENCE

Delivery format: mailed patient notice. Notice ID: DEMO-NJ-2026-014. Not issued by a real insurer.

Patient	Diego Martinez (fictional)
Date of birth	2012-04-17 (age 14 in this scenario)
Caregiver	Rosa Martinez
Sample identifier	DEMO-DM-014
Record date	2026-10-19

Notice date: 2026-10-19. Patient: Diego Martinez. Requested medicine: Dupixent.

DEMO scenario plan: Aetna Better Health of New Jersey. This document is fabricated for demonstration; it was not issued by that organization.

The initial request is denied because prior controller treatment records and the relevant clinician assessment and test results were not included. This is a documentation scenario, not a determination that treatment is unsuitable.

For this fictional scenario only: submit additional information by 2026-11-01. A review request must be received by 2026-12-01. These are different dates. Contact the actual plan and care team to verify real procedures.

Fictional patient: Diego Martinez, age 14. Caregiver: Rosa Martinez. Bergen County, NJ. No real clinician, insurer decision, member identifier or signature is represented. For software demonstration only; no clinical recommendation.
