SYNTHETIC TEST DOCUMENT - NOT A REAL INSURANCE NOTICE

Notice of coverage denial

Notice date: October 15, 2026
Member: Alex Sample
Member ID: DEMO-TEST-1001
Reference: TEST-1001

Requested medication: DemoController A 100 mcg
Dose as submitted: 2 puffs twice daily

What this notice says
The request did not include the medication history and recent visit notes requested by this fictional plan.

Dates and next steps
Your written request for review must reach this fictional plan by November 14, 2026.

Ask the care team to review the requested information. This test plan has no real mailing address, website, fax number or phone number. This sheet intentionally provides no operational submission destination.

Test note: This document was created for camera, extraction and workflow testing. None of its requirements are a real insurance policy. Medication names do not refer to real products.

SYNTHETIC TEST DOCUMENT - NOT A REAL INSURANCE NOTICE

Notice of coverage denial

Notice date: October 16, 2026
Member: Jordan Example
Member ID: DEMO-TEST-1002
Reference: TEST-1002

Requested medication: DemoController B 200 mcg
Dose as submitted: 1 puff twice daily

What this notice says
The submitted record does not document prior use of the preferred medication or the reason it could not be used. This is a fictional step-therapy requirement for testing only.

Dates and next steps
You may request review within 30 calendar days after you receive this notice. The date you received this notice is not recorded here.

Ask the care team to review the requested information. This test plan has no real mailing address, website, fax number or phone number. This sheet intentionally provides no operational submission destination.

Test note: This document was created for camera, extraction and workflow testing. None of its requirements are a real insurance policy. Medication names do not refer to real products.

Notice with conflicting dates

Notice date: October 17, 2026
Member: Sam Fiction
Member ID: DEMO-TEST-1003
Reference: TEST-1003

Requested medication: DemoController C 80 mcg
Dose as submitted: 2 puffs daily

What this notice says
Recent visit notes were not included with the request.

Dates and next steps
The deadline printed in this section is November 16, 2026. A second deadline appears on page 2.

Ask the care team to review the requested information. This test plan has no real mailing address, website, fax number or phone number. This sheet intentionally provides no operational submission destination.

Test note: This document was created for camera, extraction and workflow testing. None of its requirements are a real insurance policy. Medication names do not refer to real products.

Continuation - conflicting deadline

Member: Sam Fiction
Reference: TEST-1003
Requested medication: DemoController C 80 mcg

Review deadline
The deadline printed on this continuation page is December 1, 2026.

The first page names November 16, 2026. This synthetic notice intentionally contains incompatible dates. The app should preserve both quotations, identify a conflict and ask for clarification. It should not select one deadline automatically.

SYNTHETIC TEST DOCUMENT - NOT A REAL INSURANCE NOTICE

Request for additional information

Notice date: October 18, 2026
Member: Taylor Example
Member ID: DEMO-TEST-1004
Reference: TEST-1004

Requested medication: DemoController D 120 mcg
Dose as submitted: 1 puff daily

What this notice says
The request remains pending. No denial decision has been made. Please provide the prescribing office's recent visit notes and medication history so the request can be reviewed.

Dates and next steps
Please provide the requested information by November 2, 2026. This is an information-response date, not an appeal deadline.

Ask the care team to review the requested information. This test plan has no real mailing address, website, fax number or phone number. This sheet intentionally provides no operational submission destination.

Test note: This document was created for camera, extraction and workflow testing. None of its requirements are a real insurance policy. Medication names do not refer to real products.

Explanation of benefits

Notice date: October 19, 2026
Member: Casey Sample
Member ID: DEMO-TEST-1005
Reference: TEST-1005

What this notice says

This statement describes how a previously processed office visit was paid. This is not a prior-authorization denial and is not a bill.

Service: Office visit, October 1, 2026
Billed: $150.00 | **Plan paid:** $100.00 | **Patient share:** $20.00
The remaining $30.00 is a fictional contractual adjustment.

Dates and next steps

No appeal deadline is stated on this synthetic page.

Test note: This document was created for camera, extraction and workflow testing. None of its requirements are a real insurance policy. Medication names do not refer to real products.

Notice of coverage denial

Notice date: October 19, 2026
Member: Morgan Example
Member ID: DEMO-TEST-1006
Reference: TEST-1006

Requested medication: DemoController F 90 mcg
Dose as submitted: 1 puff twice daily

What this notice says
The submitted request is missing recent visit notes. The lower part of this test page can be covered to simulate incomplete capture.

Dates and next steps
Your written request for review must reach this fictional plan by November 18, 2026.

Ask the care team to review the requested information. This test plan has no real mailing address, website, fax number or phone number. This sheet intentionally provides no operational submission destination.

Test note: This document was created for camera, extraction and workflow testing. None of its requirements are a real insurance policy. Medication names do not refer to real products.
